Vāstu Shastra and Shilp Shastra are one of the great arts of India.

The Science of constructing Temples, Palaces, Houses are totally based on vāstu Shastra and Shilp Shastra.

"Vaasthu" (the earth) is called "Vāstu".

Thus the art of designing & constructing the temple is completely based on "VASTU SHASTRA" and "SHILP SHASTRA"

Sompura families are involved in the traditional art of "Temple Architecture" since centuries.

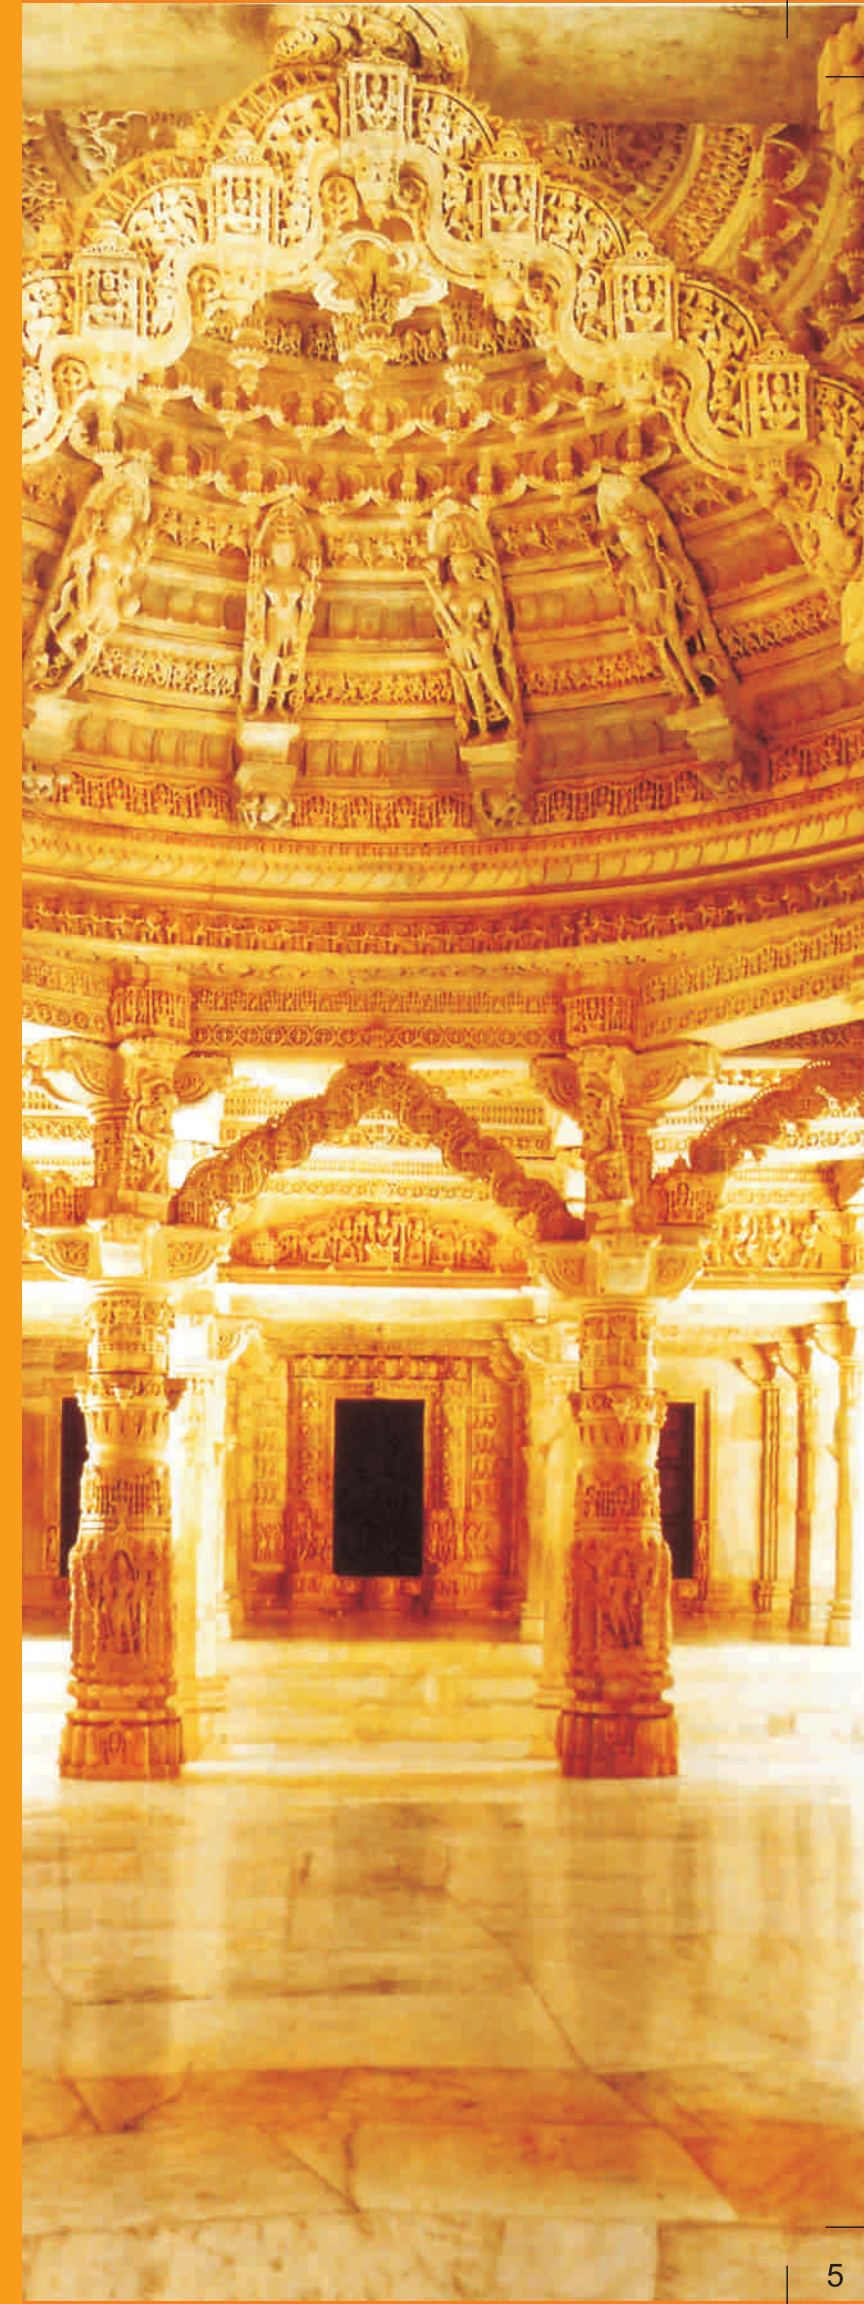

Temple Architecture is one of the world's traditional & ancient art of India.

Sompura Marble Industries is one of the leading architectural & manufacturing firm practicing successful since 1991.

Sompura Marble Industries delivered classic architectures, marvelous carving & crafting by our expert artisans.

In the journey of 60 years Sompura Marble Industries have designed, constructed & renovated over 125 Projects.

Shri Rameshchandra Vrajlal Sompura has established this firm and now his son Shri Paresh Sompura has also followed on the same profession and is running this firm very smoothly.

India is always appreciated by its culture of ancient & modern sculptures.

Our ancient traditions & civilizations in the world have been preserved with pride today also.

Centuries have been passed away yet we can see a living link with a fascinating & marvelous past into present colours in this modern time.

An Indian artist had always devoted themselves in the art and traditions. they have always given reality, originality & beautiful charm through their sculptures. They have been orally gifted by their acute observation & eye for it.

The sculptures represented here mostly belong to Hindus, Jain religious, Bodh religian.
